OFFICE OF THE PRESIDENT

Mr. Henri Temianka  
2915 Patricia Avenue  
Los Angeles, California 90064

Dear Henri:

How very thoughtful of you to write following the appearance of the HOME magazine interview. Your letter arrived on the day that I had sung your praises to a guest and a week after I had done it similarly with another guest. So we think of you often.

Our new Associate Dean of Fine Arts has put together a summer chamber music institute. I am enclosing a copy of the release. As I look out of my office window I can see the new University Music Center rising on the north campus off of Atherton. It should be done by the end of the year and will be one of the best facilities of its type in the country. I suspect it is the last State funded building that I will ever be able to wangle for Long Beach. Nini joins me in sending our very best to you and to Emmy.

With kindest regards,

Sincerely yours,

Stephen Horn
